## Short Answer

Tactics

- Identify the object to the left. How is this weapon of mass destruction responsible for the huge death rates seen during the Civil War?

This is the Minie ball and it was just so accurate and it made it easier to shoot from far away. This weapon was used in many wars but the battle that the minie ball caused so many casualties was Gettysburg. This was because we are still fighting in straight lines.

Lincoln /

- Identify the two Presidents to the left. Which of the two executives had more power? Explain why this is the case.

Lincoln had more power because the power in the CSA was in the individual state while Lincoln's power was in the National Government. With that being said Lincoln was able to make the draft work.
