- Explain the Underground Railroad

Activity

We are going to learn about Women's Rights. This had gone on since Abigale Adams in the 1700's.

Get with your groups from Wed of last week.

Remember I numbered you 1,2,3,4.

You will make a chart of the Women's Rights advocates:
Sarah Grimke, Sojourner Truth, Elizabeth Cady Stanton, Lucretia Mott, Lucy Stone, Susan B Anthony.

Explain what each woman did to further the cause.

Finally explain the importance of the **Seneca Falls Convention**
