## Introduction to Indian Removal.

You will need your book on page 336 and 337. You will need colored pencils.

1. Shade the areas (different colors for different tribes) where the Cherokee, Creek, Seminole, Chickasaw, and Choctaw lived BEFORE removal.
2. Label and **OUTLINE IN COLOR** all states that you see outlined on the map. Use old maps if you need to.
3. Using the same color you used to shade the area in #1, they came from, draw arrows over the lands they traveled to get to Indian territory in present day Oklahoma.
4. **MAKE A MAP KEY** using the colors you chose and the tribes.
  
5. Explain how the land was different in Indian Territory compared to where they **EACH** came from.
  - a. Cherokee
  - b. Choctaw
  - c. Seminole
  - d. Creek
6. Predict how this change in land could affect their lives?
