

Review of Reform

Chapter 14 begins on page 438

Section 1

- Why did the Irish come to America?
- Why did the Germans come to America?
- Was everyone happy about the Irish being here and if not, what did they do? (think one group and one political party)
- How did the middle class form?
- List 2-3 problems that happened because of the growth of cities.

Section 2

- Name two transcendentalists.
- What do they believe?
- What is American Romanticism?
- Name one Romantic author.
- Explain what a utopian society is and name one.

Section 3

- Explain the following:
 - The Second Great Awakening
 - Temperance Movement
 - Prison reform and Dorothea Dix
 - Education Reform
 - Common-schools movement
 - Women's education
 - Special needs education
 - First college to accept African-Americans

Section 4

- What is abolition?
- Name 4 key reformers/advocates for abolition
- What is the Underground Railroad and who started it?
- What do Sojourner Truth and Fredrick Douglas have in common?
- Who was Nat Turner (p. 459)

Section 5

- Name 6 women's rights advocates
- What was the Seneca Falls Convention?
- What declaration did they write?
- What reformer refused to marry because she would lose control of her property and herself?
- What woman argued for "equal pay for equal work"?
